consumer behavior - Money spent monthly on performing/delivered food Consumer behavior - Income spent on food in the supermarket / grocery store (%) Consumer behavior - Income spent on food in other stores (%) Consumer behaviour - Intake spent on eating out (%) Consumer behaviour - Intake spent on performance/delivered foods (%) Current state of health - General health (%) Current state of health - Blood donors (%) Current medical condition - Has blood sometimes tested for HIV virus (%) Current health status - left-handed (%) Dermatology - People using sunscreen (%) Diabetes - Diabetics (%) Diabetes - Had a blood test for high blood sugar (%) Diabetes - People take insulin (%) Diet Behavior & Nutrition - Diet Health (%) Diet Behavior & Nutrition - Consumption of Dairy Products (#Products/Month) Diet Behavior & Nutrition - Meals not home prepared (#/week) Dietary behavior & Nutrition - Fast food or pizza dishes (#/week) Dietary behavior & Nutrition - Ready-to-eat foods (#/month) Dietary behavior & Nutrition - Frozen food/pizza (#/month) Drug use - People who have ever used marijuana or hashish (%) Drug use - Sometimes used hard drugs (%) Drug use - Sometimes uses any form of cocaine (%) Drug Use - Sometimes used heroin (%) Drug Use - Sometimes methamphetamine (%) Health Insurance - Persons covered by health insurance (%) Kidney Disease-Urology - Avg. # Times of urination at night Health - People with asthma (%) Health - People with anemia (%) Medical condition - People with psoriasis (%) Health - Overweight people (%) Medical condition - Elderly people who have when thinking or remembering (%) Medical condition - People who have ever received a blood transfusion (%) Medical condition - People who have difficulty seeing even with glass / contacts (%) Medical condition - People with arthritis (%) Health - People with gout (%) Medical condition - People with congestive heart failure (%) Medical condition - People with coronary artery disease (%) Medical condition - People with angina (%) Medical condition - People who have ever had a heart attack (%) Medical condition - People who have ever had a stroke (%) Medical condition - People with emphysem (%) Medical condition - People with thyroid problems (%) Medical condition - People with chronic bronchitis (%) Medical condition - People with any liver disease (%) Medical condition - People who have ever had cancer or malignancies (%) Mental Health - People who are very interested in doing things (%) Mental Health - People feel down, depressed, or hopeless (%) Mental health - People who have trouble sleeping or sleeping too much (%) Mental health - People feel tired or have little energy (%) Mental health - People with poor appetite or tossing (%) Mental Health - People Feel Bad About Themselves (%) Mental Health - People who have trouble concentrating on things (%) Mental Health - People move or talk slowly or too fast (%) Mental Health - People with thoughts that they would be better dead (%) Oral Health - Average years since the last visit to the dentist oral health - People embarrassed because of the mouth (%) Oral health - People with gum disease (%) Oral health - General health of teeth and gums (%) Oral Health - Average days of the week using dental floss / equipment Oral health - Average days of the week using mouthwash for dental problems Oral health - Average number of teeth Pesticide use - Households use pesticides to control insects (%) Pesticide use - Households using pesticides to kill you (%) Physical activity - People who do intensive work activities (%) Physical activity - People who do moderate-intensity work activities (%) Physical Activity - People who go cycling (%) Physical Activity - People who do intensive recreational activities (%) Physical activity - People who do recreational activities with medium intensity (%) Physical Activity - Average time per day makes sedentary activities Physical activity - Average time per day watching TV or video Physical activity - Average time per day using computer Physical functioning - People with restrictions on them from work (%) Physical Functioning - People limited the amount of work they can do (%) Physical functioning - People who need special equipment to walk (%) Physical functioning - People who have problems with confusion/memory (%) Physical functioning - People who need special medical equipment (%) Prescription medicines - Average number of prescription medicines taken aspirin use - Adults 40+ taking low-dose aspirin (%) Reproductive Health - Vaginal Vaginal (%) Reproductive health - imperial supplies (%) Reproductive health - Births led to live birth (%) Reproductive health - Pregnancy led to childbirth (%) Reproductive Health - Women Breastfeeding Newborns (%) Reproductive health - Women who have had a hysterectomy (%) Reproductive Health - Women Who Had Both Ovaries Removed (%) Reproductive Health - Women Who Sometimes Took Birth Control Pills (%) Reproductive Health - Women Taking Birth Control Pills (%) Reproductive health - Women who have ever used Depo-Provera or injectable (%) Reproductive Health - Women Who Have Ever Used Female Hormones (%) Sexual behavior - People aged 18 years who have ever had sex (vaginal, or oral) (%) Sexual behaviour - Men 18+ who have ever had vaginal sex with a woman (%) Sexual behaviour - Men 18+ who have ever performed oral sex on a woman (%) Sexual behaviour - Men 18+ who have ever had sex with a woman (%) Sexual behavior - Men 18 + that sometimes had any sex with a man (%) Sexual behavior - Women 18+ who have ever had vaginal sex with a man (%) Sexual behaviour - Women 18+ who have ever performed oral sex on a man (%) Sexual behavior - Women 18 + who have ever had sex with a man (%) Sexual behavior - Women 18 + who have ever had any kind of sex with a woman (%) Sexual behavior - Average age of people first had sexual sex behavior - Average number of female sex partners in life (men 18 +) Sexual behavior - Average number of women vaginal sex partners in life (men 18 +) Sexual behavior - Average age of people first performed oral sex on a woman (18 +) Sexual behavior - Average number of women performing oral sex on in life (18+) Sexual behavior - Average number of male sexual partners in life (men 18 +) Sexual behavior - Average number of male sex partners in life (men 18+) Sexual behavior - Average age of people first performs oral sex on a man (18+) Sexual behavior - Average number of male partners oral sex in life (18+) Sexual behavior - People use protection when performing oral sex (%) Sexual behavior - Average number of people having vaginal or sex annually Sexual behavior - People have sex without a condom (%) Sexual behaviour - Average number of male sexual partners in life (women 18+) Sexual behaviour - Average number of male vaginal sexual partners in life (women 18+) Sexual behaviour - Average number of female partners in life (women 18+) Sexual behaviour - Circumcised men 18+ (%) Sleep disorders - Average sleep time at night Sleep disorders - People who have trouble sleeping (%) Cigarette smoking - People smoke cigarettes (%) Taste & Smell - People in their 40s have problems with their sense of smell (%) Taste & Smell - People 40+ have taste problems (%) Taste & Smell - People 40+ who have ever had wisdom teeth removed (%) Taste & Smell - People 40+ who have ever had their tonsils removed (%) Taste Smell - People in their 40s who have ever had a loss of consciousness due to a head injury (%) Taste & Smell - People 40+ who who had a broken nose or other serious injury to the face or skull (%) Taste & Smell - People in their 40s who have ever had two or more sinus infections (%) Weight - Average Height (Inches) Weight - Average Weight (Pounds) Weight - Average Weight BMI - People Who Are Obese (%) Weight - People who have ever been obese (%) Weight - People trying to lose weight (%) Based on data 2000-2020Loading data ...
